

THE GLOBE THEATRE
July 2014
Next Globe Production

\$15 Globe members, \$22 adult, \$18 concession and groups, \$10 high school students.
Opening Night Special \$15 all

All manner of magical goings on will break loose on the Globe stage on Thursday 24 July when Shakespeare's most loved comedy begins a nine-performance season. The mortal world of Dukes and Amazons, young lovers, and a group of ham-acting tradesmen collides with the fairy sphere ruled by King Oberon and Queen Titania. But the fairy monarchs of the forest are having a right royal bust-up, and this sets off a chaotic chain of comic events that has enchanted audiences for over 400 years.

Before the enchantment starts, however, lots of people are working very hard, onstage and off, to create the magical world that will fill the Globe in a few weeks. Theatre is *soo* glamorous!
